# Company Profile

## ► How was Mahashakti Born?

Setting the standards high while maintaining the never ending urge of injectable machine spare parts such as Liquid Filling, PFS Filling, Ophthalmic Filling, Cap Sealing and Vial Washing in the Pharmaceutical Industry, Mahashakti PharmaMach was established in the year 2008 by Mr.Mahendra Panchal & Mr. Bipin Panchal.

## ► Clients from Around the World

Building relationships with our clients and catering them for life, is what we believe in, we have delivered the finest spare parts from decades, with the high-end knowledge, agile techniques, and meeting industry specific standards.

## ► How do Mahashakti PharmaMach Contribute to the Pharma Industry ?

Having said that done, the role of Injectable Machine spare parts is huge in the Pharma industry as it is one growing global demand.

With the growing demand & extensively preferred Injectable Machine spare parts in the pharmaceutical industry, Mahashakti PharmaMach became the prime contributor to Pharma Industry for offering innovative designs in injectable spare parts and became a leading player as well in manufacturing Injectable Machine spare parts.

### Vision

Beyond being a supplier, we always aim to be the most trusted partner to foster long-term relationships and build trust with our clients, undoubtedly.

### Mission

Our mission is to make a headway to the healthcare field by delivering high-precision injectable machine spare parts that drive innovation and reliability in medical treatments.

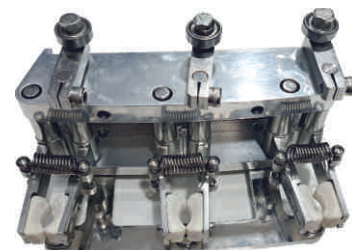

## Part List

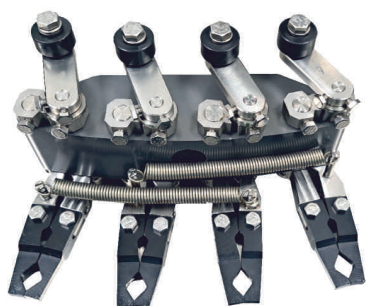

- ▶ Infeed Turn Table and Its Guide
- ▶ Infeed Starwheel with Back Guide
- ▶ Vial Gripper Assembly
- ▶ Washing Needle
- ▶ Outfeed Starwheel with Back Guide

**Vial Holding Finger**

**Vial Finger Assembly-2**

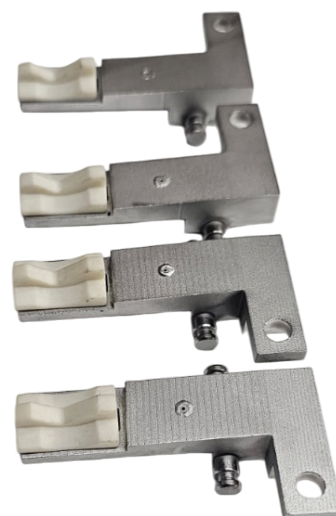

**Vial Finger Assembly-1**

**Starwheel with guide**

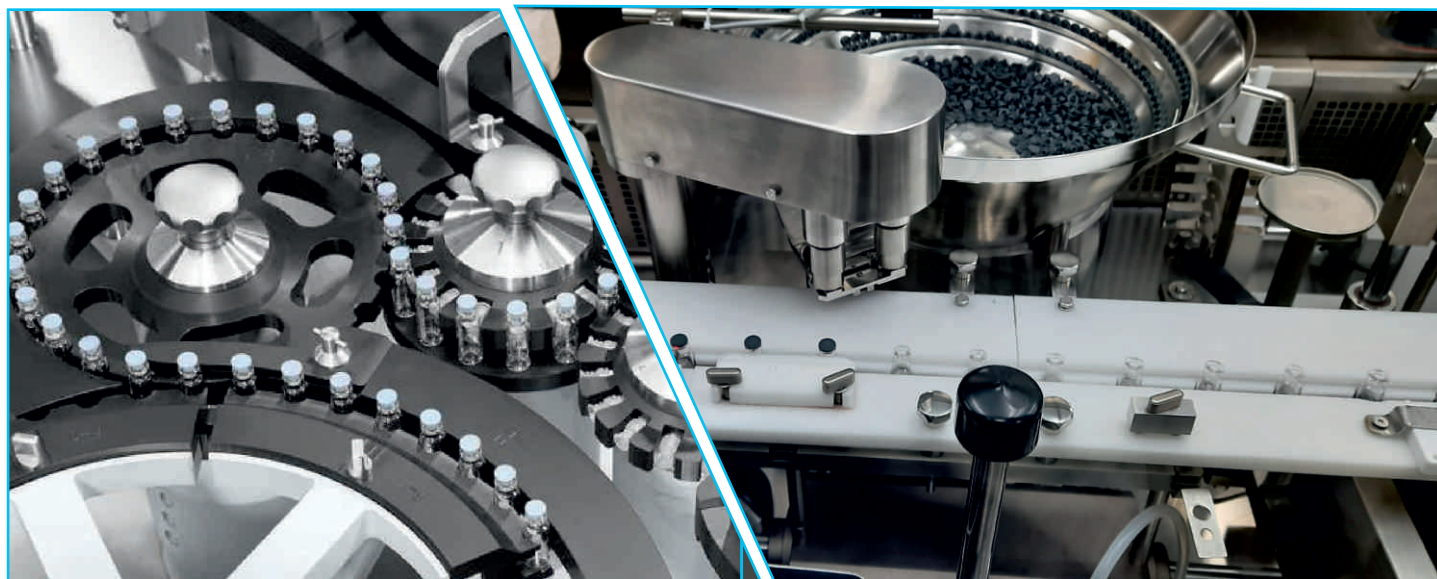

**Washing Needle**

**Vial Washing Vial Finger**

# Liquid Filling

## Part List

- Infeed Guide
- Infeed Starwheel with Back Guide
- Vial Catcher Pocket
- Filling Needle
- Bung Sorting Bowl
- Bung Pick and Place Assembly
- Outfeed Guide

**Pick & Place  
Assembly**

**Vial Star  
Wheel**

**Vial Holding  
Pocket**

**Teflon Filling  
Needle**

**Sorting Bowl  
Transformrd**

**Peek Filling  
Needle**

**Pick & Place Assembly  
Transparent**

**13mm Bung  
Sorting Boel**

**Filling Needle**

**Filling Needle-2**

**Vial transfer scroll(worm)**

# PFS filling

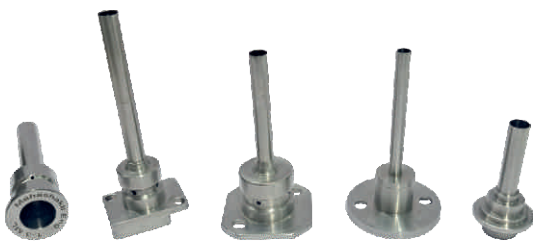

## Part List

- Bung Sorting Bowl with Linear Track
- Bung Pick and Place Assembly
- Bung Insertant Tube
- Filling Needle
- Bung Pusher Assembly
- PFS Loading and Unloading Assembly

**Vacuum Assembly with Nitrogen Flushing**

**PFS Bung Insertant Guide Tube-2**

**PFS bung guide tube**

**PFS bung vacuum Holder**

**PFS Bung Insertant Guide Tube-1**

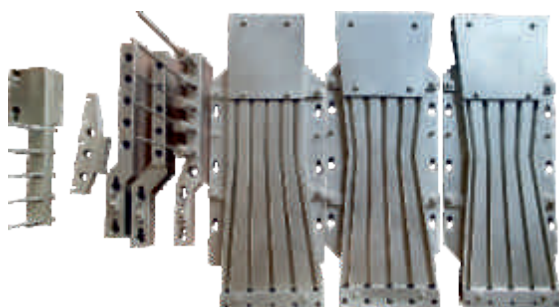

**1 ml Bung Feeder**

**Bung Sorting Bowl Feeder**

**PFS Bung Linear Track  
& Pick & Place Part**

**PFS Bung Sorting  
Bowl Feeder**

**PFS bung pusher rod**

**PFS bung bowl**

**PFS bung INSURANCE tube**

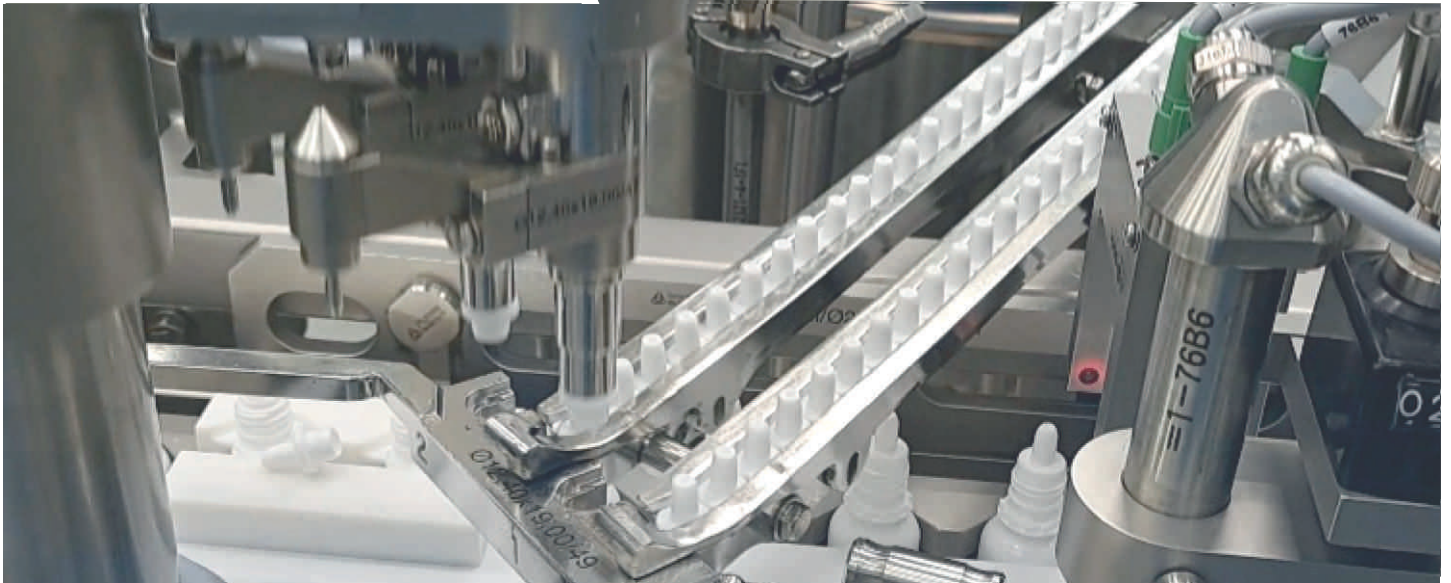

**PFS filling machine conveyor**

**PFS filling machine  
change part**

# Opthalmic Filling

## Part List

- |                                    |                          |
|------------------------------------|--------------------------|
| Vial Sorting with Orientation Bowl | ➤ Outer Cap Sorting Bowl |
| Vial Infeed Guide                  | ➤ Outer Cap Pick and     |
| Vial Catcher Pocket                | ➤ Place Assembly         |
| Filling Needle                     | ➤ Screw Capping Head     |
| Plug Sorting Bowl                  | ➤ Outfeed Vial Guide     |
| Plug Pick and Place Assembly       |                          |

**Vial Sorting Feeder**

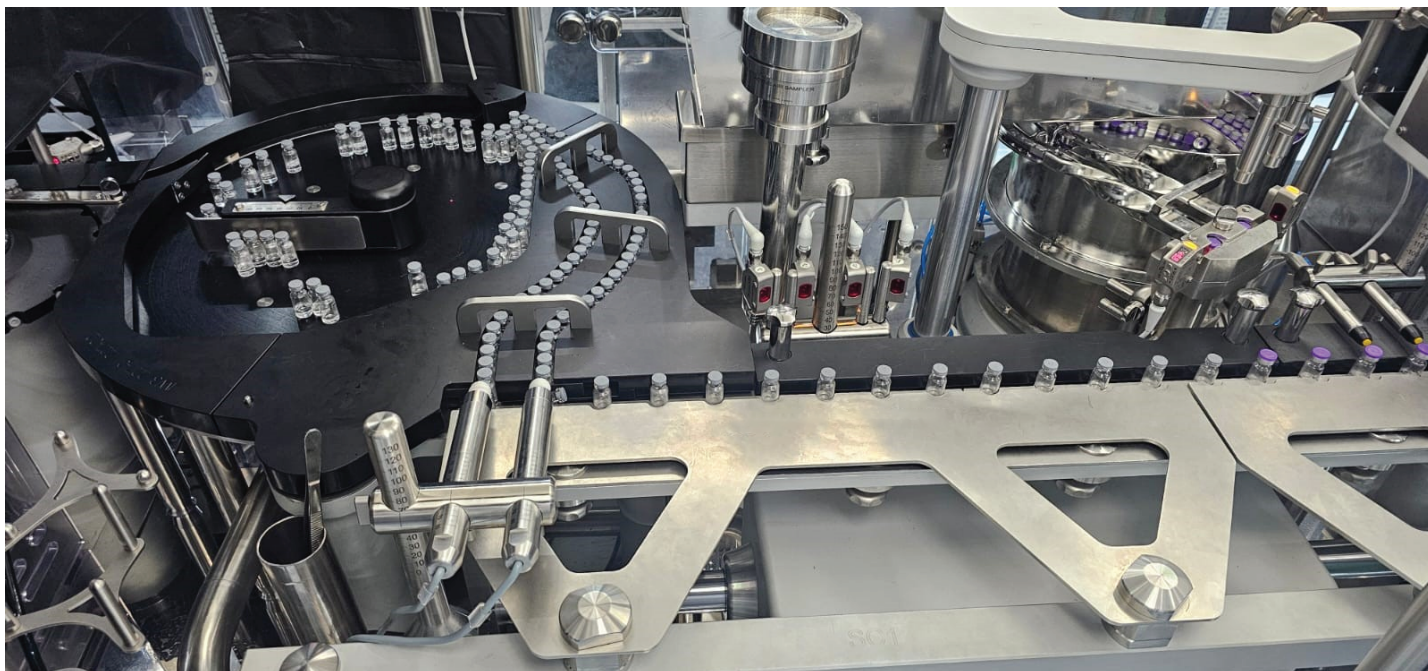

**Plug Track with Pick & Place Assembly**

**Inner Plug Sorting Feeder**

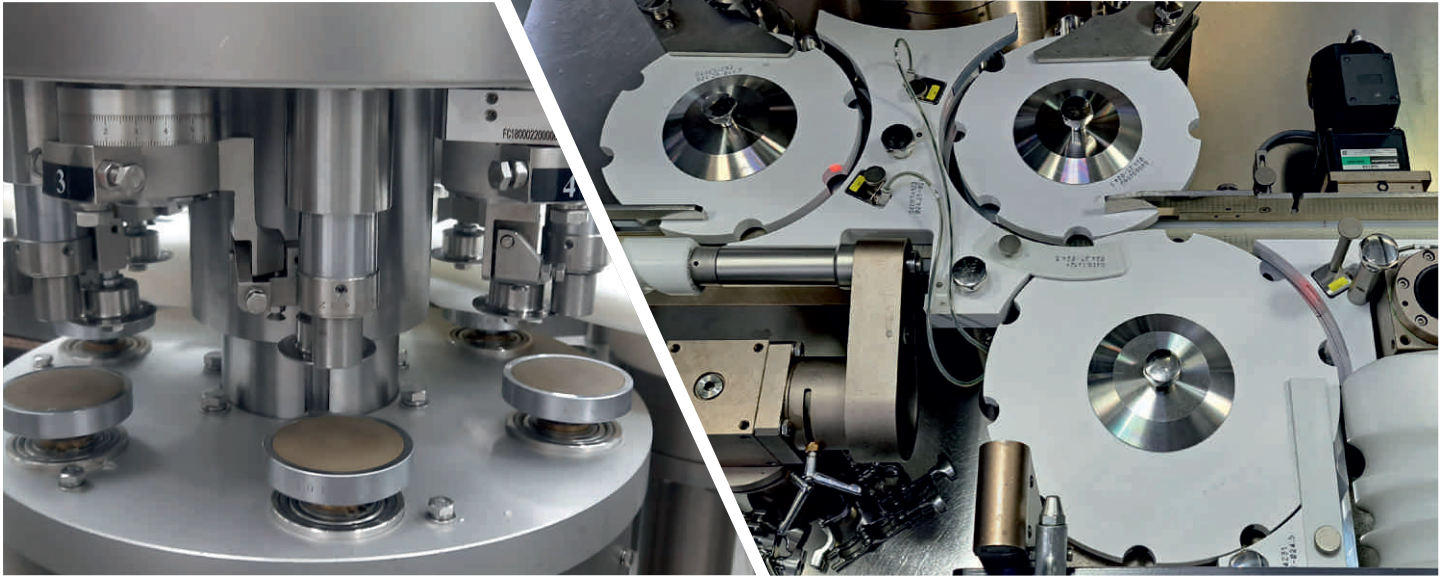

**All types change part**

**Othalmic ( Bottle orianter feeder )**

# Cap Sealing Machine Part

## Part List

- Infeed Turn Table with Its Guides
- Infeed Starwheel with Back Guide
- Crimping Roller Assembly
- Crimping Head
- Outfeed Starwheel with Back Guide
- Outfeed Vial Guide –Sealing Machine to
- Labelling Machine

**Sealing Roller Assembly**

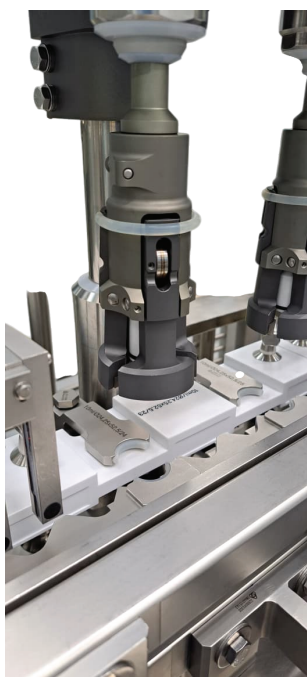

**Sealing Head**

**Sealing Head**

**Capping head**

**Eye dropp cap head**

**Cap Chute Finger**

**Sealing Head**

**Rubber bung vacuum wheel**

**Filling pump**

**Filling needle**

**Filling needle**

**Filling needle**

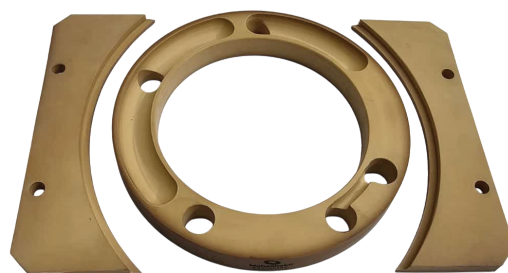

**Delrin change part**

## Other Product

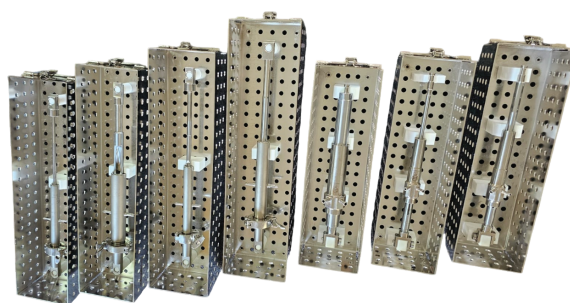

**Manifold**

**Dosing suction sector & gasket  
Dry powder filling machine**

**Powder filling piston**

**Filling pump autoclave box**

**Delrin Guide**

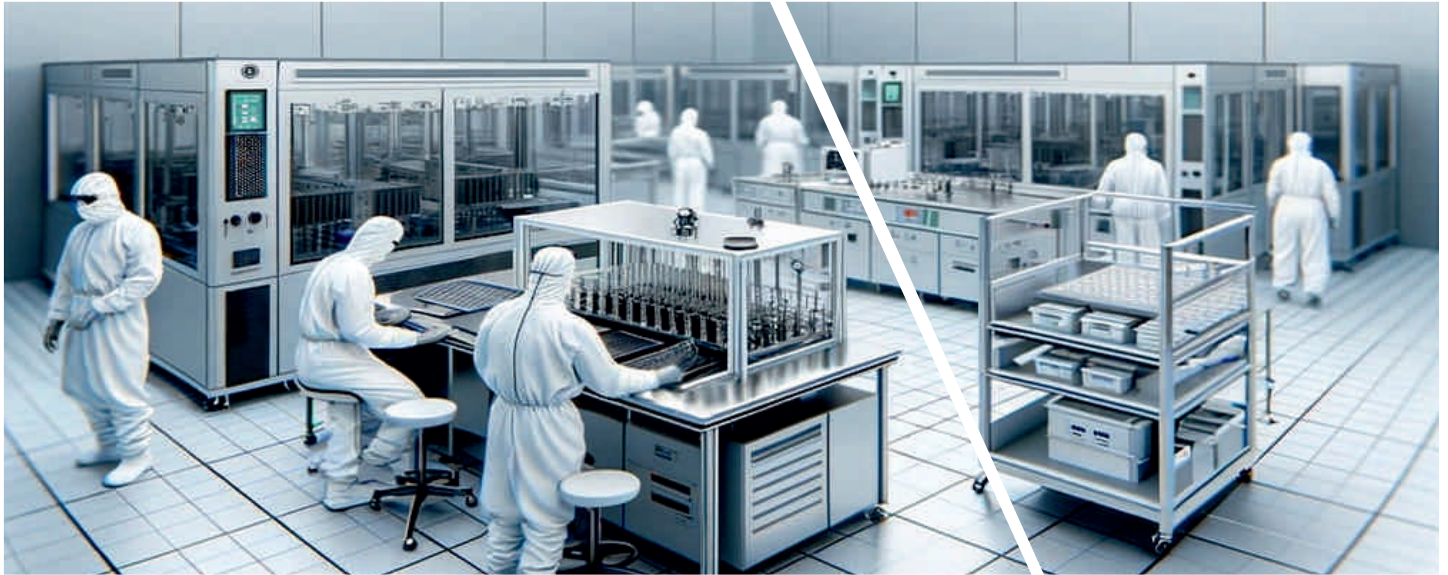

**Rubber stopper bowl**

**Vial collection tray**

**VERTICAL DRAIN TRAP**

**"L" TYPE DRAIN TRAP**

**SS OIL CANE**

**1 KG OPEN SCOOP**

**500 GM OPEN SCOOP**

**250 GM OPEN SCOOP**

**2 KG CLOSE SCOOP**

**500 GM CLOSE SCOOP**

**250 GM CLOSE SCOOP**
